

PS - 1

I am

Customer

I'm trying to

find the exact cost  
of the damage in  
my vehicle

But

i don't have enough  
storage space on  
my mobile

Because

i have limited storage  
in m mobile and i can't  
delete some important  
files

Which makes me feel

Uncomfortable

PS - 2

I am

Customer

I'm trying to

to determine  
whether the damage  
is severe or small

But

it doesn't provide  
proper and correct  
information

Because

lack of accurate  
information on  
the internet

Which makes me feel

Irritated
